

Hi I'm **Kirsty**

your local fundraiser for Sue Ryder
Thorpe Hall Hospice.

Thanks to the generosity and support of local businesses, groups and individuals we are on our way to reaching our target of £6million to complete our new Hospice at Thorpe Hall, but we still need your help.

I can help you with fundraising materials, community talks, advice, ideas and anything else you may need to help raise as much as you can and hit your own fundraising target.

So what can you do to fundraise?

- Hold a coffee morning, bake sale, raffle or tombola
- Get your workplace/school involved
- Take part in a sponsored challenge
- Take part in our Dragon Boat Festival
- Organise an event

However you choose to do it, we need your help to complete the building of our new purpose built In Patient Unit to be used by local people for generations to come.

incredible care
in your region

**A NEW HOSPICE
AT THORPE HALL**
